Personal Use Policy

International Journal of Computing, Intelligent and Communication Technology (IJCICT) having ISSN 2319 – 748X, being published quarterly (March, June, September & December) by Consilio Intelligence Research Lab, Noida. The journal is being published since 2012. It aims to publish original, theoretical and practical advances in Computing, Intelligence Technologies, Communication Technologies, Computer Science, Information Technology and all interdisciplinary streams of Engineering Sciences. It intends to disseminate original, scientific, theoretical or applied research in the field of Computing, Intelligence Technology and Communication Technology and allied fields. It provides a platform for publishing results and research with a strong empirical component. It aims to bridge the significant gap between research and practice by promoting the publication of original, novel, industry-relevant research. IJCICT follows a single-blind peer review system and carry out two rounds of review process.

Author (s) can use their articles, in full or in part, for a wide range of scholarly, non-commercial purposes as outlined below:

- Use by an author in the author's classroom teaching (including distribution of copies, paper or electronic).
- Distribution of copies (including through e-mail) to known research colleagues for their personal use (but not for Commercial Use)
- Inclusion in a thesis or dissertation (provided that this is not to be published commercially).
- Use in a subsequent compilation of the author's works.
- Extending the Article to book-length form.
- Preparation of other derivative works (but not for Commercial Use).
- Otherwise using or re-using portions or excerpts in other works. These rights apply for the authors who publish their article. In all cases, we require that journal authors always include a full acknowledgement.
